TWO ARTS ORGANIZATIONS THAT SUPPORTED OUR EFFORTS:  
Visual Arts Center of North West Florida  
Bay County Jr. Museum

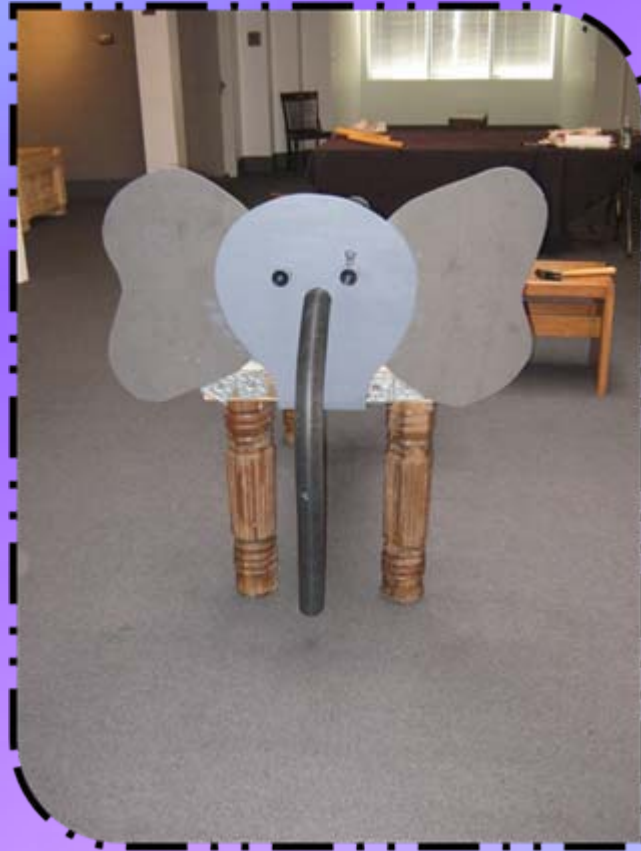

# Artful Truth Pledge

Leaders around the globe have begun to recognize that tobacco use is an epidemic that can and must be confronted and stopped.

We pledge to take action not only in Bay County, Florida but around the globe, to support the MPOWER policies.

Together, we will fight against tobacco use and the tobacco industry's marketing of its deadly product.

# Remember...

Elephants **NEVER** Forget!
